

Troikaa receives National Award for R & D Efforts in industry

IDMA Bulletin - Vol. No. 42 - Issue No. 21 - 01 to 07 June 2011

Troikaa Pharmaceuticals Ltd. has received National Awards for its R & D Efforts from Dept. of Science and Industrial Research, Ministry of Science & Technology, Govt. of India on 11th May 2011. Troikaa bagged this prestigious award in the category of physical and biological sciences in recognition to company's one of the novel innovations called Dynapar AQ 75mg/1ml, the world's first painless injection for management of acute pain.

On Technology Day Function 2011 held in Delhi, the highly inspiring scientist and former President of India, Dr. A. P. J. Abdul Kalam conferred this Award to Mr. Ketan R. Patel, the CMD of Troikaa Pharmaceuticals Ltd.

Mr. Patel has several patents to his credit, including Dynapar AQ, the first of his innovations. A gold medalist in Pharmacy post graduate programme, he also renders his services to several academic institutions/trusts and Management Association including Centre for Innovation, Incubation and Entrepreneurship at IIM-Ahmedabad.
